RESPONDENT: KOSCIUSKO COUNTY REMC

You are hereby notified that on this date the Presiding Officer in this Cause makes the following Entry:

On October 24, 2005, the Town of Etna Green filed a Petition with the Indiana Utility Regulatory Commission ("Commission") seeking, pursuant to Ind Code 8-1-2.3-6(1), to change the Town's electric service area boundaries to include a recently annexed area. One requirement under this statutory provision is that a petition shall be filed not later than sixty (60) days after the annexation ordinance becomes effective. The Town's Petition does not state, or contain sufficient information to determine, the effective date of the annexation ordinance. The Town of Etna Green should file with the Commission a supplement to its Petition that states the effective date of the annexation ordinance. Once this requested information is received, the Commission will proceed to act on the Petition

IT IS SO ORDERED.
